Chinese IV

Chinese IV is an elective course that furthers the communication skills acquired in Chinese III, with the aim of language proficiency. Chinese IV includes extensive oral expression. *Authentic* audio and video recordings as well as native Chinese speakers are accessed to improve comprehension and conversation. Reading selections from *authentic* materials and selected Chinese literature are read for comprehension. Discussion, debate, projects, compositions, and other directed writings demonstrate understanding of the culture and the complexities of the language and vocabulary. The majority of the course is conducted in Chinese. The course is defined by the content standards of the Arkansas Foreign Language Curriculum Framework for Chinese IV and includes applications, problem solving, higher-order thinking skills, and performance-based, open-ended assessments with rubrics. Chinese III is a prerequisite for this course. Arkansas Department of Education approval is not required.
